Milo News

Well, another Christmas season has now drawn to a close and by the time this reaches the public the New Year will have been well on its way. Festivities will be drawing to an end and folks will be getting ready to settle down for another winter. Whatever the weather man has in store for us from now on may be good or bad, but at least we have certainly had

things that occurred over the holidays and as there will be no paper until after the New Year, maybe some will be a little old, but they should still be of interest.

Quite a number of people were visitors to other parts of the country during this past week. Harold Thomander, Mrs. I. Armstrong, Mr. and Mrs. Floyd Armstrong and son, Mr. and Mrs. Roy Page and Linda were all visitors at the home of Mr. and Mrs. Wm. Quigley in Edmonton for Christmas. Byrla and Clinton flew to Edmonton from Calgary and the rest motored. They reported having a lovely time.

Mr. and Mrs. H. Johnson attend-

ed a bankers open house at the home of Mr. and Mrs. Taylor in Calgary on boxing day.

Mr. and Mrs. Charlie Carson and family visited with friends Mr. and Mrs. Bill Fletcher in Brant. Mr. and Mrs. Gordon Ivers, accompanied by Harold Lewis who was home from Airdrie for some of the holidays, motored for several days visiting with friends and relations at Indus, Water Valley, Cromona and Retlaw.

Mr. and Mrs. Harold Northcott and family motored to Vancouver to spend the holidays with Mr. Northcott's father and mother, Mr. and Mrs. Bill Osler.

Walter Brautigan went to Penhold to visit with his sister, Mrs. Beattie for the holidays.

Mr. and Mrs. Bill Black spent Christmas at Lacombe with the latter's father and mother, Mr. and Mrs. Saunders.

That is about all the visiting out that has been collected now, so we can start on the visiting here. Miss Winnie Johnson flew to Calgary from Edmonton and was met there by her father who brought her the rest of the way home. She made it home for the dance even if she didn't get here for Christmas.

Another nurse from our community got home from Hardisty where she has been working.

Mrs. Bob Bertrand has had her mother, Mrs. Museus, visiting with her from Calgary. Also guests at the home of Mr. and Mrs. Bob Bertrand were Mr. and Mrs. Carl Holt and family of Consort.

Mrs. Dande of Calgary was visiting at the home of Mrs. Lil Peterson for a short while. Mrs. Dande was accompanied by her daughter Doris.

Mrs. Leona Jones had her father and mother, Mr. and Mrs. Fields of Calgary with her over the holidays.

Charles Northcott Sr. is motoring to Arizona with friends shortly after the new year.

That includes all the visiting to and from home that has so far been reported. Now there are a few illnesses to take note of.

Hulder Thompson has been confined to the Vulcan hospital for several days with congestion of the lung.

Mrs. Anne Smith has been in a hospital in Calgary for an operation.

Little Brenda Mills, daughter of Mr. and Mrs. Preston Mills was very ill over the holidays. The doctor discovered a kind of anemia which made it impossible for the blood to assimilate the iron needed. She is doing much better now but is still under observation.

Mrs. Ethel Heather had a rather painful accident when she fell again against the hot stove at her mother's home and burned her hand. On top of that she got the flu so she hasn't been doing so well lately.

We wish each and everyone a very speedy recovery and less bad luck in the new year.

The United Church held a service in the I.O.O.F. hall on Dec. 21 with a special program put on by the Sunday school afterward. Lunch was served and a lovely afternoon spent with the children who each received a gift.

The Milo Christmas concert was held on Dec. 22, but many numbers had to be omitted as so many of the children were ill with the chicken pox. However, in spite of this an entertaining program was put on and the hall was full of spectators to see it.

Mr. and Mrs. Russell Mills accompanied by Mr. and Mrs. Jim O'Leary motored to California after Christmas. They were accompanied by Miss Kathleen McKay who was returning to her job in Los Angeles.

Did you notice the difference that the power has made to the locks of this community at Christmas time? Never have there been so many glittering trees and decorations as were seen this year. It seems that nearly everyone had explored lights strung in their windows and a beautiful tree peeping out at the passers by. It is to be guessed that the power also made a difference as to what was under a great many of those trees on Christmas morning. Electric appliances make wonderful gifts as I had the pleasure of finding out.

The annual meeting of the Ladies' Curling Club met at the home of Mrs. Vi Carson and seven of the forty members showed up. In spite of the fact that anyone wishing to curl was asked to phone the president or secretary, very few did and most of the afternoon was spent in making calls to ascertain just who was and who wasn't planning on taking part this year. A list of players was finally made and teams were drawn. It was found that there will be enough players to form ten teams. A new executive was elected: Maxine Dugg, president; June Beckner, secretary; Lorna Umscheid, treasurer. Curling will start as soon as the mixed bonspiel is over, weather permitting.

Here is a bit of news that the younger fry at least find rather amusing. The single men played hockey against the married men and beat them rather badly. As to the score it seems that every player has a different version so we won't quote any of them. When

asked if there were any fights or rough stuff the unmarried men said no, but that Donald Deitz sat on the other goalie while David scored. But after finding out that the goalie in question was Ken Stumpf it is doubtful if this is quite the truth either. This same Milo team played Lomond and beat them also, this time the score being 8-0.

Now as a resume of the holiday festivities, here is one person's view of the New Year's Eve dancing held in the I.O.O.F. hall in Milo. First we'll take the music which is always a prime factor at a dance. Well in this case it was very mediocre, the players making it evident that they would much rather have been down with the crowd enjoying themselves, and who could blame them. As for the crowd, which was certainly a big and lively one, it was composed of a great many strangers, guests of local folks as well as those from other towns. Among those that could be gotten track of were the following: Arnold and Floyd Winch and their wives and guests from Calgary; Mr. and Mrs. Vic Elack and two daughters of Calgary who were New Year's guests of Mr. and Mrs. Bob Umscheid; Mr. and Mrs. Floyd Hughes and friends also of Calgary; Mr. and Mrs. Charles Lewis, daughter Lorraine and her friend were guests of Mr. and Mrs. Gordon Ivers as were Harold Lewis and friend Pat Wright; there were doubtless many others but I have no line on

them so forgive the omission. At midnight the usual paper hats and noise makers were given out and the crowd joined hags as best it could to sing Auld Lang Syne. There is no doubt about this dance certainly influencing people to let their hair down and have a good time. Lawrence and Harold Phillips, usually so quiet and inconspicuous, were really enjoying themselves in fact so much that Harold, with a noise maker in each hand, was up on the stage directing the band. Sid Page, another average guy who as a rule never creates too much of a stir was really having fun but stopped his if your name has been left out, festivities long enough to tell me just blame it on lack of space. How much he enjoyed my column was lots of fun but it's over for in the Advocate. By now he'll be another year, so for now it's just wishing that he'd never heard of Happy New Year and may you all me. Yes, Took Beckner was here be blessed with your heart's desiring fun too, but he stopped me if it doesn't cost too much.

Today a Bushel of Wheat Buys Twice as Much Gasoline

In 1939, a bushel of wheat bought 1.7 gallons of gasoline. Today, you get almost 4 gallons of gasoline for a bushel of wheat. And it's the same story with other farm products.

How is this possible when general living costs have streaked upward to a point where they are 80 percent higher than in 1939?

Finding oil in our own back yard is the answer.

By discovering new sources of oil, the oil industry has been able to hold the price line on products in spite of higher freight rates, increased gasoline taxes in spite of tremendous increases in the cost of finding and producing oil, and of transporting, refining and marketing petroleum products. Today, depending on how close they are to new oil production, consumers on the prairies pay from 4 to 9 cents less per gallon for gasoline than they would be paying if new oil hadn't been found.

It's another example of how Western Canadians are benefiting from new oil production.

NOTICE

The season of the year has arrived again when privately-owned custom seed cleaning plants, both stationary and portable, will be commencing operations. We would like to remind all owners or operators of such outfits that it is necessary to take out a permit issued by the Field Crops Branch of the Department of Agriculture. It is also very necessary to make sure the grain is cleaned to seed grade, and thoroughly clean the machine before moving from one farm to another—the reason for this being quite obvious to all. We would ask you to kindly co-operate in this important matter and operate these custom outfits in accordance with the Weed Act.

Mrs. J. Doyle visits England. Mrs. Jack Doyle and her son, Tommy, are at present visiting in England, and their surprise visit to Mrs. Doyle's sister in Markfield is reported in the "Leicester Mercury" of Dec. 17 as follows:

Five days ago there came a visitor to the little general store in Markfield's main street. When 70-year-old Mrs. Gertrude Hall answered a knock at the door she found her sister, paying a surprise visit to the village for the first time since she went to Canada in 1911.

Now Mrs. Elizabeth Doyle is 65. "I went to Canada to look for adventure and found it almost at once—in the shape of romance which brought wedding bells at Lethbridge," she said to the Leicester Mercury today.

She has brought back with her to Markfield, a 31-year-old son who is looking forward to an English Christmas in his mother's native village.

Actually Tommy Doyle is no stranger to Markfield. He went there on leave while he was serving with a Canadian rifle regiment in 1945. But this is his first visit free of military ties, and he is settling down to enjoy it.

"The only trouble is that we can't get warm over here... at any rate not yet," he said. "We are used to cold weather in Canada, but it is not so damp. In England it seems to be more of a clammy cold."

Nobody in Markfield was more surprised to see Mrs. Doyle than her sister.

"But I'm glad she has come back after all this time and I hope she will be here for at least a month," added Mrs. Hall.

Mrs. Doyle flew from Canada and did the whole trip to Leicester in only two days.

She has three other children—a daughter and two sons. One of the sons is a soldier in Germany; the other works with Tommy on their father's farm at Champion, Alberta.

Mrs. Doyle's husband, who is 73, has never been to England.

"I don't suppose he ever will now," she said wistfully. "He's not keen on flying, and he can't stand the water either."

"The die has now been cast"

An American manufacturer was planning to open a plant in Canada. He considered various locations and found what seemed a likely site. He talked to a local bank manager, got facts about the community and its facilities.

Some time later the company wrote to the banker:

"The die has now been cast. It is our intention to locate in S... We feel that it is well suited to our particular operation. You have been of great aid to us. Your accurate and rapid presentation of facts necessary to reach a decision was top-notch."

Such letters show how a branch bank serves not only its own depositors and other customers but how, by assisting business development, it benefits the whole community.

District News

ARMADA

Now that the holiday season is over for another year and all the Christmas and New Year festivities are a thing of the past we can once again settle down to the common way of living. I sincerely hope all my readers, near and far, had a very Merry Christmas and that this year will be a happy and prosperous one.

Although it is rather late, I think first of all special praise is due the children and teachers of the Armada school for the splendid Christmas concert they sponsored the night of Dec. 23. As a result of the co-operation between the teachers and their pupils, the program was presented to the audience very quickly with only a short pause between acts. No one seemed to become bored at sitting so long and even the small fry behaved very well indeed and waited for the big event of the evening, Santa Claus. The weatherman was also very cooperative and the hall was filled to capacity. I think I am quite safe in saying that the evening was enjoyed by everyone, young and old.

The next item on my list is a correction of a minor mistake that appeared in the write up on the Community Hall. I was not responsible for this write up but I think I will be justified in clearing up this error. It was stated that the hall was recently condemned by government building inspectors and that the community would be without a hall if sufficient funds could not be raised for a new one. The inspectors were around but they never condemned the hall. A few improvements were to be made, such as exit doors and fire extinguishers to be installed, in order to comply with government regulations.

The turkey that was raffled by the Community Hall was won by C. Stokes of Armada.

Miss Iva Bennett of Red Deer spent the Christmas week at her home in the district. While here, Iva, her brother, Irvin, and their mother motored to Lethbridge to visit their grandfather, Mr. Langworthy, who was injured in a recent fall.

Mr. and Mrs. L. Birkeness of Calgary spent Christmas at the home of Leonard's parents, Mr. and Mrs. H. Birkeness.

Miss Mary Surdinski of Grassy Lake, a former resident of Armada, spent several days during the Christmas holidays visiting her friend, Doreen Marks.

Miss Mary Magella of Calgary spent the holiday season at the home of her parents, Mr. and Mrs. M. Magella.

We are glad Mrs. D. Paulson is now at home after spending several days in the Claresholm hospital.

Christmas guests at the H. Howell home were Mr. and Mrs. C. Rogers and son, Mrs. J. Urdal, Mr. and Mrs. Jack Urdal and Darcy, all of Calgary and Mr. and Mrs. D. Buchanan and Brenda of Taber. Mr. and Mrs. A. Marks had as their guest for the Christmas holidays, Miss Earlene Anderson of Milo.

Mr. and Mrs. C. Stokes spent Christmas in Calgary as guests of their son-in-law, Mr. and Mrs. B. Gilday.

Mr. and Mrs. L. Herman of Calgary visited at the homes of their daughter and son, Mrs. R. Beagle and Mr. O. Herman during the holiday season.

Ross Chambers of Calgary was a visitor at his home in the district.

Miss Doreen Marks' room mate of the Mount Royal College, Miss Minty has been a visitor at the home of Mr. and Mrs. W. Marks.

Mr. and Mrs. S. Leach of Rosebud were recent visitors at the J. Marks home.

The card party sponsored by the Legion was held in the Legion hall last Saturday night, Dec. 27. A very good crowd was in attendance. High bridge scores for the evening were held by Mrs. F. Oakes and Mr. S. Henriksen, low scores by Mrs. G. Lucas and Mr. L. Kunkel. Miss Earlene Anderson and Mr. C. Tuttle held the high scores in whist while consolation prizes were won by Mrs. H. Hanna and Mr. L. Stokes. A tasty lunch was served at the close of the evening.

Master Tommy Marks, six year old son of Mr. and Mrs. W. Marks received serious injuries when he

fell out the door of a truck in which he was riding. He received a fractured skull, severe cuts and bruises to the face and a broken nose. He is at present a patient of the Vulcan hospital. We hope he will be well very soon and back at school with all his chums.

We are sorry to report that Vern Williams is also confined to the Vulcan hospital, a victim of a severe attack of the flu. Best wishes for a speedy recovery Vern.

And another patient of the Vulcan hospital, little Beverly Howell daughter of Mr. and Mrs. E. Howell is suffering from pneumonia. All her little playmates wish her a speedy recovery and that she will be home shortly.

Business visitors to Calgary last week included Mr. and Mrs. H. Craine and Mr. and Mrs. A. Marks. Mr. and Mrs. R. Howell and family of Lethbridge were recent visitors at the home of Mr. and Mrs. I. Kunkel.

Mr. and Mrs. L. Erickson and family of Calgary spent New Year's at the home of Mr. and Mrs. G. Stokes.

New Year's guests at the C. Stokes home included Mr. and Mrs. B. Gilday and Lorne. Calgary and Mr. and Mrs. L. Haggand: family of Enchant.

Mr. and Mrs. E. Anderson and family, Mr. and Mrs. C. J. Anderson, Mr. and Mrs. H. Hall, Mr. N. Johnson of Milo, Mr. and Mrs. W. Stewart and family of Vulcan, Mr. E. Hall of Chilliwack, B.C. and Mrs. T. Marks were New Year's Day guests at the home of Mr. and Mrs. A. Marks.

Congratulations are being extended to Mr. and Mrs. H. Hanna on the recent birth of their daughter in the Vulcan hospital. A sister for Kenny and Jimmie.

MOSSLEIGH

(Held over from Dec. 25)

The Mossleigh Sunday School held their program and white gift service on Dec. 12. A large crowd enjoyed an evening of songs and verse. Mr. Jackson showed a film on the birth of Christ. Boys and girls with good attendance received gifts and all children received candy bags.

The Curling Clubs annual dance was well attended. Mrs. Roy Leslie held the lucky ticket on a turkey that was raffled.

Mrs. Archie Hay was hostess for the Ladies' Community Club on Dec. 3. The ladies decided to sponsor the Dusty Bell's dance to be held on New Year's Eve. A number of items were brought for the cedar chest which is now on display in the store window at Kidd's.

A large crowd attended the Junior Room's concert held in the hall on Dec. 18. The Senior Rooms are
